Biography: Taminul Islam was born on June 4th. 2000 in Jamalpur city, Mymensingh Division, Bangladesh. He received his Bachelor of Science (B.Sc.) with first class in the field of Computer Science and Engineering (CSE) from Daffodil International University, Ashulia, Bangladesh, in 2022. During his student life, he worked as a Student Prefect and Research Assistant at Daffodil International University. He achieved a Full Free Scholarship in his B.Sc. program from Daffodil International University. His research interest lies in the area of Artificial Intelligence. He has completed his B.Sc. thesis in the field of Machine Learning and Deep Learning. He has collaborated actively with researchers in several other disciplines of Computer Technology.

Educational Background

Daffodil International University
B.Sc. in Computer Science & Engineering

January, 2022

CGPA - 3.53 / 4.00
Got a Full Free Scholarship in player quota. Champion in ICT Carnival 2018, 2020 (Debate)
Champion in ICT Carnival 2019 (Idea Contest)

Work Experience

Research Assistant
Quadque Technologies Limited.
Feb 2022 to Present

Operations Lead (Part-Time)
Research Station
April *2022 to Present*

Research Assistant
Daffodil International University
Jan 2020 to Jan 2022

Research Interest

- Artificial Intelligence
- Machine Learning & Deep Learning
- Data Mining
- Advance Education
- Computer Technology

Achievements

- Article about Research published in ***The Daily Ittefaq*** (2021).
- Full Free Scholarship at Daffodil International University (2021).
- Article about 'Schools Reopening' published in ***The Daily Business Standard*** (2021)

Conference Proceedings

- **Proposed model to conduct an effective classroom based on smart education system** – Published on 27th June, 2021 - *2021 International Young Scholars' Conference Proceeding.*
- **A vision & strategies for successful business startup -** Published on Aug 2021 - *National Conference on Cryptography and Network Security (NCCNS-2021), India.*
- **A proposed Bi-LSTM model to fake news detection** - Published on March 2022 - *IEEE 2022 International Conference for Advancement in Technology (ICONAT)* - Scopus Indexed
- **Analysis of Arrhythmia classification on ECG dataset -** In Press - *IEEE International Conference for Convergence in Technology (I2CT)* - Scopus Indexed
- **Convolutional Neural Network Based Partial Face Detection** - In Press - *IEEE International Conference for Convergence in Technology (I2CT)* - Scopus Indexed

Book Chapter

- **Review Analysis of Ride-Sharing Application Using Machine Learning Approaches - Bangladesh Perspective** – In Press - *Book: Computational statistical methodologies and modeling for Artificial Intelligence* - Publisher (Taylor & Francis) - Level (Q1)
- **Machine Learning Approaches to Predict Breast Cancer: Bangladesh Perspective** - In Press - Book: Ubiquitous Intelligent Systems - Publisher (Springer Nature) - All Major Indexing

Selected presentation & talks

- **Effective Presentation Skills -** Virtual workshop conducted by State Islamic College of Majene, Indonesia (30 International Students) - Feb 11, 2021
- **Time & Financial Management** - Virtual class of Art of Living course; conducted by Daffodil International University (45 Bangladeshi Students)- Aug 13, 2020
- **How to start research in student life -** Virtual discussion with Chinese students - Jun 2, 2021
- **How to read & write research papers. Preparation for defense -** Virtual seminar with 25 young researchers of the various universities of Bangladesh - Sept 10, 2021
- **The efficient way of searching on Google -** A presentation speech at Daffodil International University - Oct 13, 2019.

Extra-Curricular Activities

- International player - Bangladesh Throwball Association.
- International coach & referee -Asian Throwball Federation.
- Domestic player - Football, Cricket, Badminton, Athletics, Volleyball.
- Great singing, recitation, debating & Al-Quran recitation skills.
